SUPPLEMENTAL INFORMATION  
DISCLOSURE STATEMENT UNDER 37  
CFR §1.97 and §1.98

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The references cited on attached form PTO/SB/08A and PTO/SB/08B are being called to the attention of the Examiner. Copies of the foreign patent and non-patent references are enclosed. It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

Also enclosed is a copy of the Search and Examination report for the corresponding European application EP01110872.7 which cites references nos. 45 and 46 as listed on the attached PTO/SB/08A. Examiner please note that the PCT application WO 01/04754 cited by the European Examiner is the equivalent to issued U.S. Pat. No. 6,539,462 which was submitted in a prior IDS for the present application on March 8, 2004.

A review of reference no. 47 reveals only a year of publication. Consideration of the reference is requested in accordance with MPEP Section 609, Part III A (1), because the year

is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the particular month of publication is not in issue.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
